Sir:

SUPPLEMENTAL DECLARATION

We, Patrick J. Hood and David Ernest Havens, as inventors named in the above identified application for letters patent, hereby declare that the subject matter of the amendment filed on or about May 16, 2005 was part of our invention and was invented before the filing of the original application, above identified, for such invention.

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the patentability of this application as defined in 37 CFR §1.56.

We hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
